Reveal Account Key

When signing in to your mSecure account on a mobile device, you will need to authenticate as the account's owner. Click "Reveal," then scan the QR code using your device's camera.

[Reveal](#)

Resend Account Key

Resend your authentication email to your account's email address. This email contains a scanable image of your account key as well as a PDF that can be used to print a hard copy of the key. Store the hard copy some place safe then delete the authentication email for extra security.
